Sub: Proposal & Budget approval for "TECHNOVA 2026" (Annual Inter-University Innovation & Technical Conclave) event on 14th - 15th November 2026 (KSHITIJ Society under KSAC).

Respected Sir,

KSHITIJ under the KIIT Student Activity Centre (KSAC) proposes to organize the annual inter-university innovation and robotics festival titled 'TECHNOVA 2026' on 14th - 15th November 2026 at Campus 6 & Campus 7. The conclave features student robotics challenges, automated rover hackathons, tech exhibitions, and keynote addresses from leading AI researchers.

The event will be managed and coordinated under the direct supervision of the **45-member Organising Committee of KSHITIJ**.

A total budget of **Rs. 1,40,000/- (Rupees One Lakh Forty Thousand Only)** is submitted for your kind review and approval.

Your kind consideration and approval are solicited to proceed with the above event.

Thanks & Regards,

Dr. Ajit Kumar Pasayat
Associate Dean, KSAC (Tech)

Proposal for TECHNOVA 2026 — Annual Inter-University Innovation & Technical Conclave

Society Name : KSHITIJ - The Robotics & Innovation Society under KSAC

Event Date : 14th - 15th November 2026 | Venue : Campus 6 & Campus 7

1. Background :-

TECHNOVA 2026 is designed as Eastern India's flagship technical congregation bringing together over 1,500 student innovators across KIIT and premier technical institutions. The conclave fosters hands-on multidisciplinary engineering culture, indigenous hardware prototyping, and autonomous systems innovation.

Target Audience & Eligibility:

- **Participants:** 1st, 2nd, 3rd and 4th Year B.Tech / M.Tech / MCA Students
- **Eligibility:** Open to all verified KIIT University students and registered external collegiate teams
- **Team formation:** Teams of 3 to 5 participants
- **Advancement / Selection:** Top 8 teams from technical inspection advance to final knockouts
- Safety goggles and Li-Po battery flameproof enclosure bags are strictly mandatory.

2. Objective :-

- Foster engineering innovation and hardware prototyping among undergraduate students.
- Showcase autonomous robotics, IoT systems, and AI-driven applications across KIIT schools.
- Provide a premier competitive arena for national collegiate innovators and robotics enthusiasts.

3. Event Format & Structure :-

A 2-day dual-track technical conclave with combat robotics, autonomous rover obstacle trials, and a 24-hour embedded systems hackathon.

Event 1 — RoboCombat 2026 Arena Championship - Day 1 - 2026-11-14 [09:00 AM - 01:00 PM]
15kg and 30kg combat robotics tournament inside reinforced polycarbonate arena.

Event 2 — Autonomous Rover Challenge - Day 1 - 2026-11-14 [02:00 PM - 06:00 PM]
Vision-based obstacle avoidance and autonomous navigation trial over terrain.

Event 3 — HackGrid 24-Hour Hardware Sprint - Day 2 - 2026-11-15 [09:00 AM - 05:00 PM]
Real-time embedded systems, sensor interfacing, and Edge AI hardware hackathon.

4. Requirements

A. Venue Requirements

Sl. No.	Date	Campus	Timings	Venue	Quantity	Details / Purpose
1	2026-11-14	Campus 6	08:30 AM - 07:00 PM	Auditorium	1	For Inaugural Ceremony & Keynote Presentation
2	2026-11-14 to 2026-11-15	Campus 7	09:00 AM - 06:00 PM	Workshop Lab & Classrooms	4	Hardware Hackathon & Team Paddocks / Pit Stops

B. Technical & Electrical Requirements

Sl. No.	Dates	Timings	Venue	Requirements	Quantity	Details / Purpose
1	2026-11-14 to 2026-11-15	08:00 AM - 07:00 PM	Campus 6 & 7	3-Phase High-Power Supply + 12 Heavy-Duty Extension Boards	12	For Combat Arena safety cutoff and Team Testing Pits
2	2026-11-14	09:00 AM - 01:00 PM	Campus 6 Auditorium	Podium & Cordless Mics + High-Lumen Projector AV Screen	4	Inaugural and Researcher Keynote Presentations

C. Accommodation & Food Requirements

Sl. No.	Dates	Requirements	Quantity	Details / Purpose
1	2026-11-14 to 2026-11-15	Mineral Water Bottles (20L Cans & 500ml Pet Bottles)	350	For Participants, Evaluators & Volunteers
2	2026-11-14 to 2026-11-15	OC & Jury Food (Lunch & High-Tea Packets)	110	For 45 OC members and 10 external judges across 2 days

D. Marketing & Other Logistics Requirements

Sl. No.	Date / Interval	Items / Requirements	Campus	Details / Purpose
1	2026-11-01 - 2026-11-13	Campus Helpdesk (4 Tables + 6 Chairs)	Campus 3, 6, 25	Physical registration and information desk
2	2026-11-05 - 2026-11-15	Display Standees (5ft x 2ft) & Banners (8ft x 10ft)	Campus 6, 7, KSAC	Event branding and schedule boards

5. Budget :-

(N.B. The budget distribution provided below is calculated prior to the inclusion of Goods and Services Tax (GST). Applicable GST, in accordance with prevailing Government Regulations, will be added, and the final cost may vary.)

Sl No.	Particulars	Quantity	Pricing	Tentative Cost (in Rs.)
1	RoboCombat Steel Arena Enclosure & Mesh Reinforcement	1	28500	28,500
2	Hardware Sprint Development Kits (Sensors & ESP32)	20	1250	25,000
3	Winner Cash Prizes, Mementos & Trophies	3	15000	45,000
4	OC & Judge Hospitality (Day 1 & Day 2 Meals)	110	140	15,400
5	Branding, Standees, Lanyards & Certificates	1	18600	18,600
6	Logistics, Extension Cables & Safety Enclosures	1	7500	7,500
			Total Amount	**₹ 1,40,000**

Grand Total: Rs. 1,40,000/-

In words: Rupees One Lakh Forty Thousand Only

6. Summary

These arrangements are essential to ensure **TECHNOVA 2026** runs smoothly and reflects well on **KSHITIJ**, **KSAC**, and **KIIT Deemed to be University**. We seek KSAC's kind approval and support in executing the above requirements.
